IRRIGATION WORKERS ASSAIL SCHWARTZ; ATTACK BALLINGER

Criticise Acting Commissioner for Statement as to Entries.

MEETING IS BITTER TOWARD SECRETARY

Predict Sensational Developments at Conservation Congress-Praise Pinchot and Newell.

SPOKANE, Wash., Aug. 1.-Opponents of Secretary of Interior Ballinger in the Seventeenth National Irrigation Congress today landed hard on Acting Land Commissioner Schwartz for his statement of yesterday in behalf of his chief in which it was alleged that the power site filed in the Bozeman land office was a sheep watering tract.

Led by ex-Governor Pardee, of California, the critics of Secretary 1 Ballinger declared that this tract of UEAIH 158.68 acres, filed upon by the Collins Land Company for George L. Ramsey, of Helena, was necessary for filling out the holdings of the power company and to prevent an entering wedge of competition.

PARDEE SHOWS LETTER. Mr. Pardee showed that a letter from the General Land Office directed that all but forty acress of this filing be allowed. The deleculmination until week after next the Jack of the story books. at the National Conservation Con-

Criticise Ballinger Here.

In view of the attack made by the Washington officials on the criticisms Washington officials on the childishs of Fallinger's action in the Bozeman incident, which was interely made by the opponents of the Secretary of the Interior as an instance of the Power trust grab, ex-Governor Pardee has attention to a section of eighty. on the Missouri river it Montana made by the Northern Pacific on May 5. The land had been withdrawn by Secretary Garfield and restored by Secretary Ballinger. Former United States Senator George Turner, one of Secretary Ballinger's defenders, deglared that the land could not have been entered on that date, because it was not subject to entry under the law so soon after it had been restored, whereupon Pardue read from the congress was devoted to the fight becomes when the first camp work in mality of advertising its restoration. Practically the whole period of the Congress was devoted to the fight between Pinchot, who is looked upon as the embodiment of the Roosevelt policy of conservation. And Secretary are conservation, and Secretary ballinger, or deriver the law so soon after it had been restored immediately without the formality of advertising its restoration.

OF HARRIS CRIME Ollie Harris, Nephew of Assailed Rockville Woman, Under Arrest.

IS FOUND AT HOME HIDING IN CLOSET

Little Danger of Mob Violence Unless the Victim Should

Hiding under a lot of women's clothes in a closet in his father's home, Ollie Harris, the nineteenyear-old nephew of Mrs. Clara Harris, whom he is alleged to have attacked and assaulted several days ago at her husband's home at Travilah, was captured this morning by Sheriff Mullican, of Rockville.

Harris was lodged in the Montgomery county jail at 12:10, and a simple charge of assault and battery lies against him.

The authorities are now awaiting the outcome of his aunt's injuries before a more serious charge is made against Ollie. She probably will be brought to a Washington hospital today or tomorrow and an operation will be performed to remove that portion of her skull which is pressing upon the brain.

EASILY CAUGHT.

Harris was caught easily. He refused to* ay a word, but was very nervous, and evidently feared the mob vengeance with which the Montgomery county citizens have threatened the man who assaulted

His father, Jefferson Harris, in whose house he was captured by Sheriff Mullican, was willing to give him up.

"He should be dealt with according to the law," he said as Sheriff Mullican and State's Attorney Waters led the trembling boy out to the closed carriage in which they had made the trip from Rockville

Jail Is Watched.
